DISCUSSION ITEMS

1. Becky Princehorn from Bricker and Eckler was present at the meeting and gave the board an overview of levy options. The discussion included:
  - a. We are at the 20-mill floor – therefore for operating money our options are an income tax increase or an emergency levy.
  - b. If we want to address our elementary schools now with a bond issue we can do a combination levy with a bond issue and an income tax increase. If it does not pass it does not affect our current income tax.

After discussion it was decided that a survey would be put together to get the feel of the voters in the district regarding how many elementary schools the district should have.
