

THE BARONS BUZZ

A WEEKLY DISTRICT COMMUNICATION

WEEK TWO - AUGUST 20, 2021

MASKS REQUIRED FOR K-8 STUDENTS

At the August 18th Board of Education meeting, the Board enacted a mask mandate for students in grades K-8 beginning Monday August 23, 2021. There were certainly conflicting views on the Board and the decision was only enacted after much deliberation. We know this is a divisive issue and there seems to be no "middle ground" but we appreciate your support in following the mandate as we work through this evolving situation.

COVID-19 certainly didn't come with a play book. The Board's decision was made with student achievement in mind and is a result of the board's strong desire to keep students and staff safe, and in school. The next Board of Education meeting is on September 1, 2021 @ 6:00pm in the BVHS library. The Board will review this decision, as well as make a decision about the future considering current local conditions, health department recommendations, and the recommendations of professional organizations.

PAPERLESS TICKETING FOR ATHLETIC EVENTS

Buckeye Valley has moved to paperless ticketing for all home middle school and high school sporting events.

Information about family passes and individual game tickets can be found on the Barons Athletic website.
