Buckeye Valley Community,

Following the mandated three-week school closure, as ordered earlier yesterday by Ohio Governor Mike DeWine due to the threat of the Coronavirus COVID-19, the Buckeye Valley Local School District will be shutting down all activities between Friday, March 13, 2020 and Sunday, April 5, 2020.

This shutdown of activities includes all athletic practices, scrimmages, games, meets, open gyms, conditioning, weightlifting, offseason sporting activities, and the like. This also includes the use of the following facilities: Buckeye Valley High School, Buckeye Valley Middle School, East and West Elementary Schools, Buckeye Valley weight room, and all athletic fields.

All facilities mentioned above are also unavailable to outside groups for use for meeting, gatherings, sporting events/practices, tours, or the like during this same time period.

Please know, this decision is made with much thought and consideration for the health and well-being of our students, staff, community and visitors. We want to be certain that we are a part of the solution in helping to minimize the spread of the virus.

We will re-evaluate the continuation of activities when appropriate as more information becomes available regarding the COVID-19 virus over the next couple of weeks. At present, it is our hope to continue supporting our students again in the events they love most on Monday, April 6, 2020.

Please reach out with questions as it relates to Buckeye Valley High School or Buckeye Valley Middle School athletics or the use of the Buckeye Valley Local School District facilities during this closure. I can be reached at myinger@mybvls.org or (740)363-1349 x4003. District office can be reached at (740)369-8735.

It is our hope you are able to spend some quality time with your loved ones during this unprecedented time. Go Barons!
