CORONAVIRUS-COVID19-RELATED SCHOOL CLOSURE INFORMATION

March 12, 2020

Ohio Governor Mike DeWine recently declared that all schools in Ohio will be closed starting the end of day Monday, March 16, and the closure will last for at least three weeks. Based on these recommendations, Buckeye Valley will be putting the following plans into place.

- All Buckeye Valley Local Schools will be closed for students starting Monday, March 16th, and will resume classes starting on Monday, April 6. However, this is a rapidly changing situation that may include an extended duration of school closure.
- Classes will continue as normal tomorrow Friday, March 13th. However, families know what's best for their children and we will honor your decision to keep your child home from school during this time. Absences will be excused. Please contact your school if you will be keeping your child home for Preventative COVID-19.
- Tomorrow students will be asked to take home all bookbags and athletic equipment.
- At this time, all extracurricular activities are suspended starting Friday, March 13th. The suspension includes athletic events, school activities, and all meetings until further notice.

District leaders and teachers are building out a plan to implement remote learning and other services. More information will be forthcoming.

During this rapidly changing situation, we will continue to be proactive in our efforts to learn more and act accordingly. The district is exploring options to best serve our school community.

Undoubtedly, this is an unprecedented challenge for everyone in our community. It is also an opportunity for us to come together. In the days

and weeks ahead, we must all show a level of grace and patience as we adapt to this extended, yet temporary, change to our everyday lives. Let us all be an example of how to handle a crisis and prevail.

Information will continue to be shared with our parents via email and on the district website.

Thank you for your patience during this unpredictable time.

Sincerely,
Andy Miller
Superintendent
