

▶ YOU CAN FOCUS ON
YOUR STUDENTS.

We'll take care
of everything
else.

We're Here to Help!

At PaySchools, we understand technology may not be everyone's expertise, that's Ok! Our expert Support Team is here to help! With over 20 years of experience, our Support Team is committed to answering your questions in a timely and professional manner. That's why we offer multiple support options for our customers.

There are now four different ways you can contact us for help.

- **Email** – Submit a support ticket at PaySchools Support email support@PaySchools.com
- **Call** – Access our phone options 800.669.0792 press 1 for Support
- **Chat** – [Chat with a live representative online](#)
- **Remote Assistance** – Get live remote help <https://i3verticals.screenconnect.com> (a support representative will issue you a unique code)

Would you like to chat with a live representative online?

Click on the Chat with us button below. We will be glad to connect with you.

Need Remote Assistance?

A support representative will access your machine in real time.

Online Resources

In many cases, you can find the assistance you need through our online training resources. Tutorial videos, documentation,

and one-sheets are just a few clicks away! To check out what's available, visit [PaySchools University](#).

On behalf of your PaySchools team, we wish you a successful start to the school year.

Thank you,
Your Friends at PaySchools
