Dear BVMS families,
I hope everyone had happy holidays and some relaxing “family time” to recharge batteries. We are excited here at the middle school for the kids to come back and begin a brand new year. As a parent, this is a good time to discuss goals for the new year. We try and have students see the “end in mind” and work backwards to attain their goals. These can be academic or personal.

I would also like to thank our custodial staff for doing an extra thorough cleaning over winter break so the school is as clean as possible for your children when they return.

If you want to get involved volunteering here at school, there are a number of ways to be a part of your child’s education. You can contact me here at school at bbaker@mybvls.org or go through our PTO as well paulajblosser@gmail.com. Please read on for our department updates and a list of upcoming events. We will see you soon!

Working together,
Mr. Brian Baker, Principal BVMS
Mr. Jeremy Froehlich, Asst. Principal BVMS
